## Mentoring Questions

1. What are the benefits of adding a mentoring element to the seed grant project?
2. Will the mentoring be done by your organisation, an external organisation or a group of individuals?
3. What support is the mentor able to give, looking at the budget, time availability, personnel and duration?
4. What support would the Champion like to receive (needed topics, what are the interests, availability)
5. Will the mentoring piece be individually, group based or peer to peer?
6. What will the delivery of the mentoring model look like (virtual, face to face, workshop style)?
